RE: Corporate Sponsorship 2022 Wareham Gatemen Baseball

To whom it may concern,

Thank you for considering giving a corporate sponsorship donation to Wareham Gatemen Baseball for the 2022 baseball season. Please note that if the 2022 season is postponed in its entirety due to COVID-19, your donation and signage will be extended through the 2023 season.

The Wareham Gatemen organization is a non-profit organization which operates a collegiate summer baseball team in the prestigious Cape Cod Baseball League (est. 1923). The Gatemen have been a member of the Cape League since 1927, winning their first championship in 1930. Based in Wareham, Massachusetts, the Gatemen play their home games at Clem Spillane Field, "Spillane Field".

As with any non-profit organization fundraising is an integral part of our seasonal income. The best college baseball players come to the Cape each summer to showcase their talents to scouts from every MLB organization. Gatemen fans flock to the games to watch as several first round draft picks, and future MLB all-stars compete.

The Gatemen provide a family atmosphere and an experience that will entertain adults and children of all ages. The Gatemen attract more than 20,000 people to our games, and in 2022 the Gatemen will host the Cape Cod Baseball League All Star Game (2017 Attendance over 7,000 people) which will be held on July 23 at 6PM.

As a Gatemen sponsor you will associate your organization with a New England tradition, the love of baseball, and reach 20,000+ Gatemen fans. We have many sponsorships available to fit the needs of the business community. We hope one of them may be attractive to you or we will work with you to create a program to fit your marketing objectives. Without our corporate sponsors, none of our success would be possible.
